### **CO-CONTRIBUTION FEES**

In 2017, the Diploma and Advanced Diploma course fees are offered at the concessional rate of \$1,000.

As a result of VET FEE-HELP/ VET Student Loans reforms and VET FEE-HELP no longer being available for ACPA's 10042NAT Diploma of Performing Arts and 10043NAT Advanced Diploma of Performing Arts, the non-concessional rates of \$12,800 for the Diploma and \$13,900 for the Advanced Diploma will not apply in 2017.

The ACPA Board and Management will review and revise the 2018 concessional and non-concessional fees as part of its annual business planning, with any revised fees made public as required.

### **REFUND OF FEES**

ACPA's policy on refunds payable to students provides for:

- The full return of fees paid in advance if the student withdraws from the course prior to the relevant census date
- The full refund of fees based on students withdrawing at any time due to specific circumstances that preclude the student from continuing studies (assessed on a case by case basis by the CEO)
- Pro rata refund of fees based on the number of weeks attended post the published census dates
- Full return of funds if ACPA ceases to provide the qualification or withdraws from the VET system (In such case ACPA has VET Fee Insurance through TAFE Directors Australia to provide security of refunds)

**The ACPA student fee refund policy is also available via the ACPA Student Handbook.**
